Setting up of power plants

*74. SHRI O.T. LEPCHA: Will the Minister of POWER be pleased to state:

(a) the details of power plants which have been sanctioned and set up in the country, particularly in the State of Sikkim during each of the last three years;

(b) the details of funds allotted and spent on the setting up of such plants in the country during this period; and

(c) to what extent targets fixed in this respect have been achieved?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) and (b) The details of Central Sector projects (excluding the projects developed through non conventional sources) commissioned since April, 2003 are at Statement. (See below). No Central Sector project has been commissioned in State of Sikkim during the period under reference. However, Central Sector project of Teesta V is under construction and is scheduled for commissioning in the year 2007-08.

The details of Central Sector projects sanctioned/awarded since April, 2003 along with cost details are at statement li (See below).

(c) Thermal power projects are generally being completed on schedule. The gestation time in respect of new hydro projects has also been declining. Due to rigorous monitoring and continuous inter action with the developers, the long delayed projects of Nathpa Jhakri HEP and Dhauliganga HEP have been commissioned and the remaining major projects with long history of time and cost overrun especially projects of Tehri and Dulhasti are scheduled to be commissioned in the year 2006-07.

Statement-I

List of Central Sector projecis commissioned since April 2003 so far in Tenth Plan

Name of Project	Units Commissioned	Estimated Cost (Rs. in crore)
1	2	3
